

28.02.21

Thank you for your patience while we have been working through the logistics of what the government announcement of going to Level 2 until 6.00am on Sunday 7 March has meant for the TMG.

It does take time to liaise with sport organisers, who then have to speak to their committees to agree a plan going forward. We are passing on the information as soon as we are able to. We will continue to update our website and Facebook page as soon as is practicable. You will appreciate that we are working as quickly as possible following government announcements.

At this time, the only sport affected which required a date change, is Football as there are over 100 players. This tournament has now been rescheduled to Saturday, 13 March. Should any further government announcements require further changes, notification will appear here.

It is possible that a small number of people may be impacted, having entered the Football and then another sport during the core weekend dates which may now result in a clash of events. Regretfully, this may mean a choice will need to be made of which sport to attend. If you are one of the people impacted by this, please email admin@tmg.org.nz and we can work through this situation with you.

Sports scheduled to Host the weekend of 6 – 7 March
